Discounts do not apply during Peak Season

Notes - **Peak Season is typically defined as May 15 to October 1.** All of the agreements offer some type of cargo protection/insurance.

Professorial Faculty – New hires contact Jennifer Palmer, (626) 395-2782 in Faculty Housing for relocation services.

Staff - New hires may contact Human Resources – Employment Office, Tara Kruckeberg, (626) 395-8661, to discuss relocation options.

- Step #1 - Contact any of these recommended sources who will act as the “Agent of Origin” for their national carrier and will be responsible for and coordinate the cost estimate, packing, transportation, any storage, and relocation billing.
- Step #2 - Request the Caltech Cooperate Agreement discounts and terms for Institute relocations.
- Step #3 - Vendors will accept a Caltech purchase order and in some cases a P-Card order as authorization for relocation. Reference the “Caltech Cooperate Agreement” on the order in place of Caltech’s standard Section 1 – Commercial Items or Services Contract General Provisions.
