BUSINESS TRAVELERS LOVE & TRUST US

Email Confirmations

The passenger and the booker will both receive an email confirmation after the ride is booked.

Flight Tracking

Provide your flight details and we'll track your flight and adjust your pickup time accordingly.

Ride Status Notifications

You can track your driver's location through the mobile app or via a link in the text message alerts sent when the driver is on the way.

Connect With Your Driver

Call your driver directly through a secure line. Your number will remain hidden for added privacy.

E-Receipts

Post-ride receipts are sent via email to help with timely expense reporting.

Available Worldwide

Book a GroundLink ride in any major U.S. city and in 110 countries around the globe.

Professional Drivers

Your safety is a priority! Our drivers have a minimum of three years of professional driving experience and are fully vetted and insured.

24/7 Customer Support

Have a question or need assistance? Our Customer Service team is always available.
